Place: Manipal, Karnataka

ACKNOWLEDGEMENTS

Throughout the writing of this dissertation, I've received a great deal of support and guidance. I would like to thank my guide, **Dr Deepa Marina Rasquinha**, for her assistance in the research project. I'd like to extend my sincere gratitude to **Mrs E S Sreelakshmi**, **Mr Dan Isaac Pothiyil** and **Mr Syam K R** for their unwavering support and wise guidance throughout every stage of the research. Your informative comments and recommendations were quite helpful in developing the study topics and technique, and they inspired me to enhance my thinking and work.

I'd like to acknowledge **Dr Sebastian Padickaparambil**, Head of the Department of Clinical Psychology at MCHP, MAHE, as well as all of the other teachers who were involved in the process and assisted me in finishing this study.

I would also like to thank IRC and IEC, for providing me with their valuable guidance that I needed to choose the right direction to successfully complete my dissertation.

In addition, I'd like to express my gratitude to my parents for their support and faith in me. I'd like to thank my friends without whom I would not have been able to finish this dissertation. Finally, I thank God Almighty for providing me the opportunity to work on this study.

Jumin Joseph
